THE SKIPPER

VOL. 8

JUNE 1942

PUBLISHED BY THE SENIOR CLASS
RIVERSIDE HIGH SCHOOL, BUFFALO, N. Y.

Foreword

We, the class of 1942, are indeed a fortunate group of young men and women. Never has the morale of our country been so dependent upon its future citizens never before have we had so much to defend. We young Americans are unaccustomed to war, but we are not unprepared. We have not been schooled in the use of guns and planes, but we have these years been learning the lessons of decency and courage. We look into the future not filled with brutality and conquest; we see peace and civilization and progress. Our task is more than actual combat with the enemy, for ours is the task of rebuilding the world on a sound democratic basis, in the years following the final victory. The liberal education which our democratic country has given us will then show its true worth. America has found democracy and education inseparable; we pray that it shall always remain so.

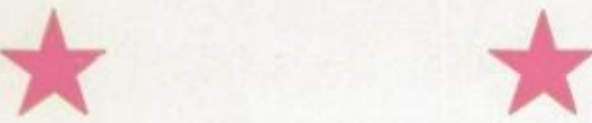

A Parting Salute!

The class of 1942 faces the challenge of the future. At no time in the last 150 years has there been the prospect of so great a change in the philosophy of human government and social relationships. If we are to maintain our ideals of democracy in government, of freedom as individuals, of faith in an overruling God, the work must be done by you and the millions of young people who believe as you do. The present burdens of battles in production and against the foe are being borne by those a little older. But the winning of the war will not change the beliefs of those who have been drilled in the doctrines of dictatorship. Their ideas can be corrected, but slowly, and only by a full understanding of the values received through a democratic way of life. There lies your opportunity. In the years to come it will be your privilege and your duty to help make our country so fine, so strong, so helpful to others in a brotherhood of nations, that it may stand as a source of inspiration and a guide to all. The effort of any one may count for little. But if each and every one does his part well, you may accomplish the hope of Tennyson:

*"For I dipped into the future, far as human eye could see,
Saw the Vision of the world, and all the wonder that would be;
Till the war-drum throbbed no longer, and the battle flags were furled
In the Parliament of man, the Federation of the World."*

C. Whitney

Dedication

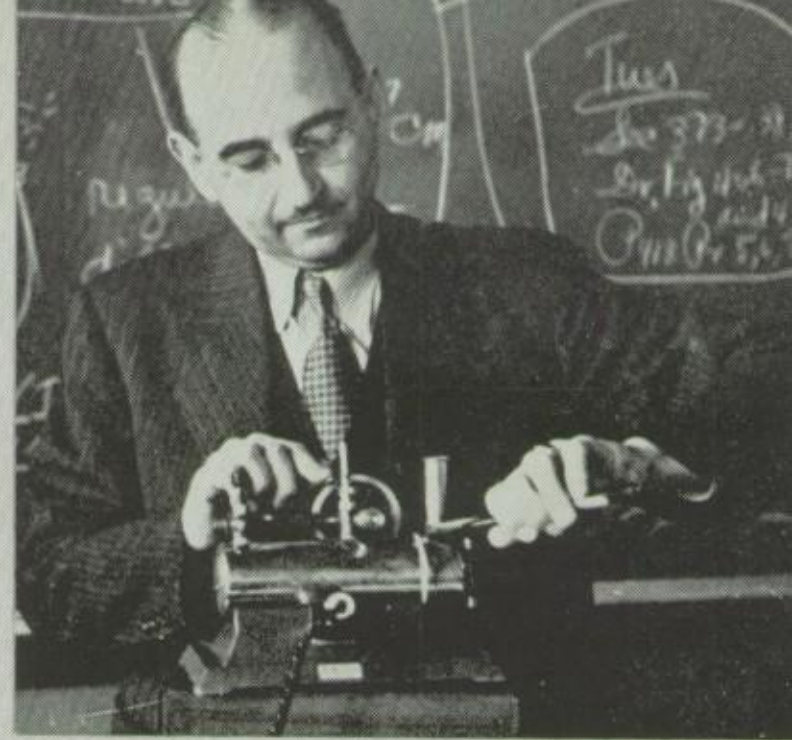

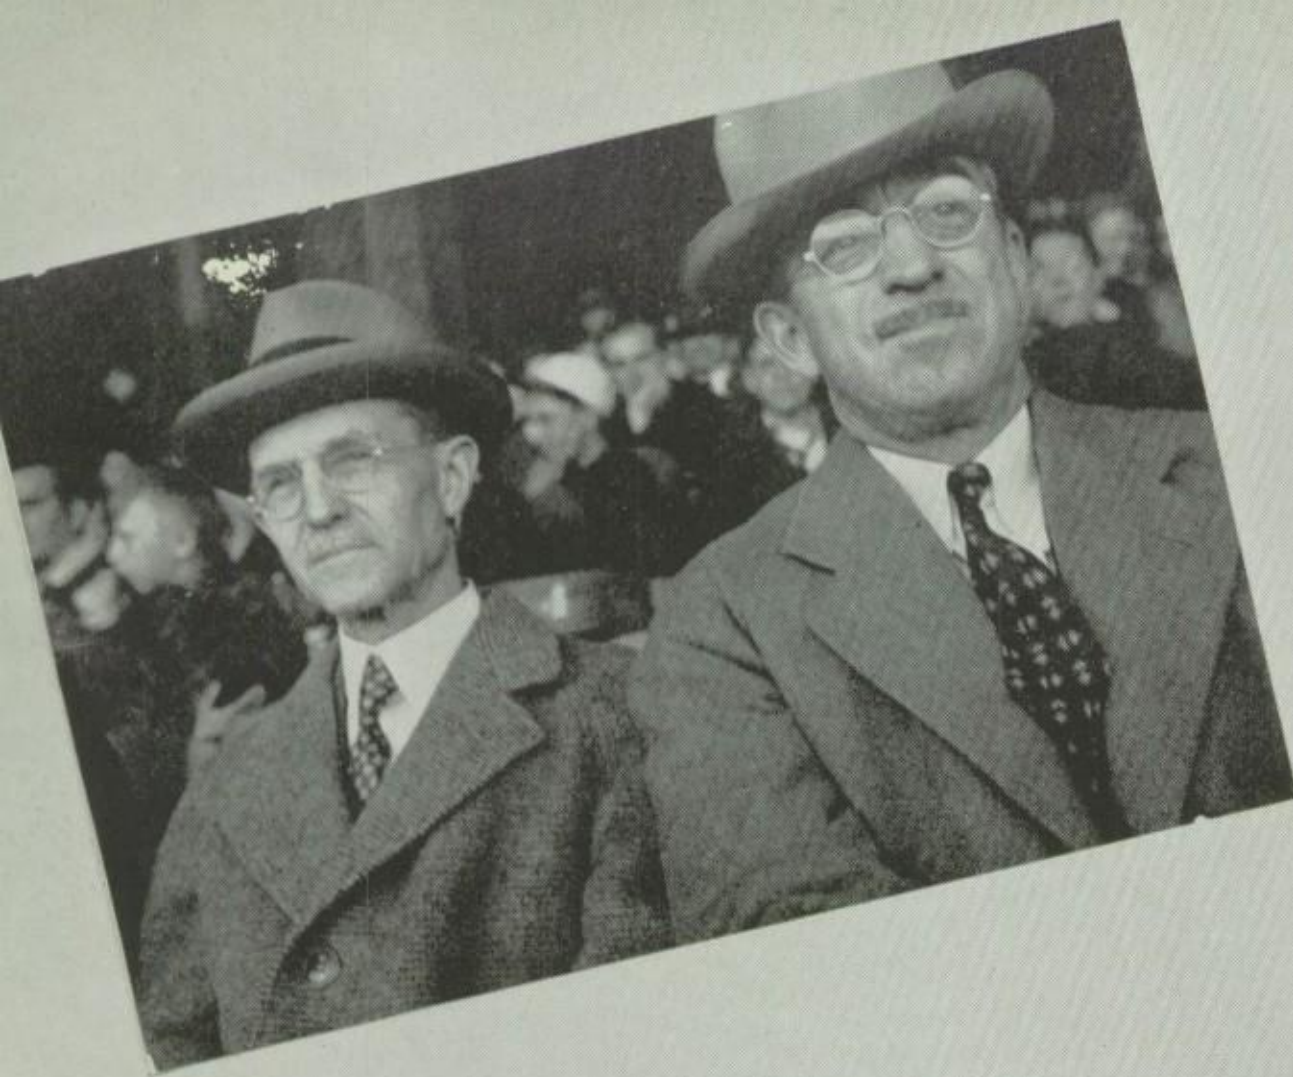

Today when sacrifices pass unheeded, when there is no time to honor any but the most outstanding heroes, we pause a moment to pay tribute to the unsung millions who serve our cause.

Thousands of boys have given up everything they cherish to travel to distant shores to protect our country and her sacred heritages. They ask no reward, they seek no praise, they expect no glory. They go willingly because they feel that America without freedom means the end of our civilization.

To those in our army, navy, marines, and air corps, and especially to our own Riverside boys, we gratefully dedicate this issue of the Skipper.

THE SENIORS of Riverside High School will soon take their places in the defense of their country and of democracy. The training they have received during the last four years has shown them the value of unity, originality, leadership, and positive action.

Training for the responsibility of leadership has been emphasized this year. Many Riverside Seniors have been cited for their outstanding achievements in intramural and interscholastic activities. Honors for highest scholastic achievements were awarded Mary Kubica, Patricia Lapczenski, Lawrence Murphy, and Janet Gervan for averages of 94 and above. Elvira Diehl, Josephine Potembska, Irene Saj, Katherine Mowczko, Anna Pasieka, and Grace Graves were chosen for their outstanding athletic ability to represent the school at an interschool conference at the University of Buffalo, on March 28. The Girls' Council and the Boys' Council enjoyed a very successful year under the leadership of Presidents Betty Szabo and James Miller.

Originality and individual enterprise have been displayed by members of the Senior Class. Earle Williams, president of the school Camera Club, took second prize in the Scientific Section at the Buffalo Museum of Science Photographic contest. An original play was presented on Senior Day under the direction of Albert Sauerwein and Irene Saj.

These valuable lessons in democratic ideals will find expression in the future acts of the class of '42.

*A*S future citizens, Riverside students are beginning to think about their service to the community. Vocational guidance conferences, held annually for the benefit of those students who wish to obtain information about their prospective professions, have been increasingly successful, enlisting a complete roster of students in 1942.

Last year an innovation, the Boys' Council, was introduced with an administration similar to that of the Girls' Council, established in 1939. Through these organizations, students learn the meaning of initiative and self-discipline.

The cooperative spirit of our students is particularly well-known in our scholastic records. Since 1934, the Buffalo High Schools have been in competition on the basis of the percentage of those pupils instructed who pass their examinations. Riverside's record follows:

In 1934, Riverside was first
1935, first
1936, third
1937, first
1938, second
1940, first
1941, second

We sincerely hope that this splendid record will be maintained by our classes this year.

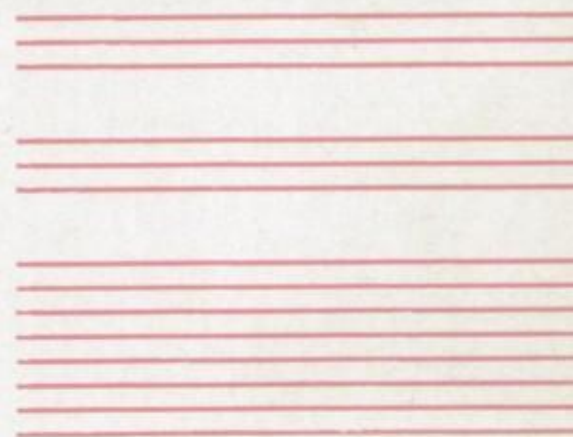

Another fine factor is our enthusiastic participation in school war organizations — for example, over 400 students are enrolled in Red Cross activities.

The classes at Riverside represent a variety of nationalities who work harmoniously together. Perhaps they do this so well because at Riverside, in their training as Americans, tolerance is the keynote.

*A*LL work and no play makes Jack a dull boy." This does not happen at Riverside because of our many extra-curricular activities. These activities help bolster morale; they give students an opportunity for self-expression in various fields, and they enliven the day's work.

Orchestra, band and debating teams all increase interest in school activities, while the Boys' and Girls' Councils co-operate to help in the efficient management of the school. All these organizations are valuable assets to Riverside.

In the following pages are pictures and accounts of our various organizations. In the past, they have been supported with growing popularity and we are sure that this interest and enthusiasm will not wane in the future.

Riverside's orchestra is an all-important organization to our school. It is under the direction of Mr. Harold H. Hull and meets Monday, Tuesday, and Thursday of each week. Its many duties include playing for assemblies, and special programs, such as the Hi-Y Show, Junior Day, Senior Day and Graduation Exercises.

Through the years the orchestra has been appreciated. Its members have taken part in various musical contests, All-High festivities, and have participated in the National Music Fest, which was held at Kleinhan's Music Hall this year. Many of the student body, who are musically inclined and enjoy playing, find it extremely pleasant to become a member of the orchestra, and give vent to this feeling. The players are always ready to render assistance whenever it is required. We know this will continue to be so in the ensuing years.

The 1942 Band

The Riverside High Band with Mr. Harold Hull behind the baton, has again paraded through a very successful season. It began with the "On Riverside" at our football series of 1941.

Recognition must be given to Mr. Hull for being chosen as the leader of an All-High Band which will play at Kleinhan's Music Hall during National Music Week. The organization is composed of the choice players of the city of which many are from our own alma-mater. Several of our musicians went over to Bennett High to entertain at their assembly program. Among these were Julius Kovach, violinist; Phyllis Kirchmeyer, trumpet; Dolores Van Tuyl, xylophone; John Racz, Piano; Edward Rosinski, accordion, with Shirley Menken, Shirley Stauffer, and Sylvia Gross assisting.

Besides the regular band, there has been a beginner's band practicing so that they may help in the activities next year.

Many happy hours spent here have been both entertaining and inspiring. The band's success is due to the hard work of both leader and members, and they are certainly deserving of a great deal of credit.

The 1942 Debate Teams

Our debate teams opened the season with a double win. The question debated was: "Resolved that: Government subsidized housing be abandoned in favor of privately controlled projects." The affirmative team under the guidance of Mr. Rentz, met Kensington in their auditorium and brought home a 8-7 victory. The team consisted of Donald Lazarus, Jack Wamsley, Betty Szabo, Dorothy Eberhardt (alternate) and Gloria Wagner (timekeeper.) Our negative team, not to be outdone by the affirmative, met Technical in our auditorium and won by a 10-5 decision. The negative team coached by Mr. Ravin consisted of Frank Rainone, Caroline Gritti, Lenora Wonacott, Marie Babinsky (alternate) and Dorothy Urbaniak (timekeeper.)

The spring debate brought a new subject. The question was: "Resolved that: A publically supported system of Junior Colleges be established in New York State." The affirmative met Lafayette in their auditorium and received a 2-13 decision while the negative team received a 9-6 decision over South Park in our school. The teams were the same in the spring as in the fall. With so great a number of experienced speakers, we are anxiously anticipating a very successful debating season next year.

The Girls Council

With an amazing amount of zeal and enthusiasm, the Girls' Council plunged into its yearly activities. Not only have the members performed their routine duties so well that they have been frequently complimented, but also they have undertaken various new and important duties. The office monitors are now a part of the large council, as is also the library monitor on duty from 2:30 to 3:00; the responsibility for the lunch-room study room, 33, had been delegated to the council. Both the Boys' Council and the Girls' felt the need for new monitor pins. In order to raise the necessary funds, the Councils collaborated in a skating party. Though the proceeds were used to help pay for the pins, the newly established treasury furnished the greater part of the girls' share of the expense.

Seated:

Jean Steinhauser, Betty Szabo, Miss Wixson, Lois Best, Patricia Lapczynski.

Standing:

Irene Saj, Josephine Potembska, Elvira Diehl, Patricia McGinty, Olive Poxon, Margaret McCarthy.

The annual assembly, held March 24, was this year presented by both Boys' and Girls' Councils. Representatives from earlier councils and from other schools were guests. A play, "Assembly Lines," was given.

The development of student responsibility in the affairs of Riverside High School is the aim of the Council and of Miss Wixson, the adviser. This aim is being reached because of the splendid cooperation of faculty, council members and student body.

The Boys Council

The Senior Boys' Council began its second year of existence in September 1941. Each year the three boys who are Junior Class officers form the nucleus of the new council. The other seven members are elected by the boys of 203.

Jacob Kirsch has charge of homeroom administration. He and his monitors handle roll calls and notices. Bernard Bunny and Robert Jerome are co-chairmen of the Boys' Hall Monitors. There are two assembly committees: one, headed by Thomas Kelly has charge of the lines going to and from the auditorium; the other, Charles Herbeck's committee, serves as monitors in the auditorium. No teachers are assigned to the Senior Section. Vernon Rowe has organized a new committee which has charge of exits during fire drills.

The official buttons now worn so proudly by our monitors were financed by the proceeds from a skating party which the Boys' and Girls' Councils sponsored December 13th. We joined with the Girls' Council in giving an assembly program March 24th. We also helped collect books in the school Victory Book Campaign for the men in the service.

The Senior Boys' Councils have made only a beginning. In these troubled times, such an experiment in self-government is proving satisfactory and helpful to both faculty and pupils. We hope that future classes may be inspired to continue this form of student government at Riverside.

The Girl Reserves

This year the Girl Reserves have been very busy.

A Halloween party and a tea were held in October; a dance to raise money for World Fellowship was sponsored in November. They supervised a collection of food for the needy in the community at R.H.S. in December. Mrs. Loomis, a Y.W.C.A. Counselor, spoke on "The Attractive Wrapping of Christmas Gifts," and the girls distributed the gifts they wrapped at the E. J. Meyer Memorial Hospital. A city-wide Girl Reserve Conference was held in March at which the Riverside Girl Reserves presented a fashion show and a variety program. Several dinners were held at the Kenmore Y.W.C.A. A speaker on Posture and Personality was interesting as well as educational.

Speakers on secretarial work, nursing and current events were scheduled and plans made for a Girl Reserve Assembly program.

The Hi-Y Club

The Riverside Hi-Y Club celebrated its Thirteenth Anniversary this year by taking an active part in the Hi-Y variety show. Early in the fall, the club sponsored successfully a Hi-Y, Tri-Y fall dance. The club had two joint H.-Y and Tri-Y dinners at the North Delaware YMCA where both clubs meet Thursday and Friday nights respectively.

The most important event of the year will be the presentation of the Hi-Y medal to the outstanding Senior Boy. This award is based on service to the club, to the school and upon the maintenance of Hi-Y ideals.

Under the excellent guidance of Mr. Norman Marcussen, the Hi-Y has become one of the most popular clubs in Riverside High School. The membership totals thirty-five boys. Many among them are high on the honor roll and prominent in sports; all pride themselves on being gentlemen.

The officers of the 1941-1942 Hi-Y club are:

<i>President</i>	William Kelley
<i>Vice-President</i>	Bernard Bunny
<i>Treasurer</i>	Jacob Kirsch
<i>Secretary</i>	Vernon Rowe
<i>Attendance Chairman</i>	Thomas Kelly
<i>Chaplain</i>	Jack Malone
<i>Council Representative</i>	Robert Jerome
<i>Sergeant at Arms</i>	John Ott
<i>Adviser</i>	Mr. Marcussen

Seated:

Mr. Marcussen, J. Ott, V. Rowe, W. Kelley, B. Bunny, R. Kirsch, T. Kelly, Mr. Rae.

Second Row:

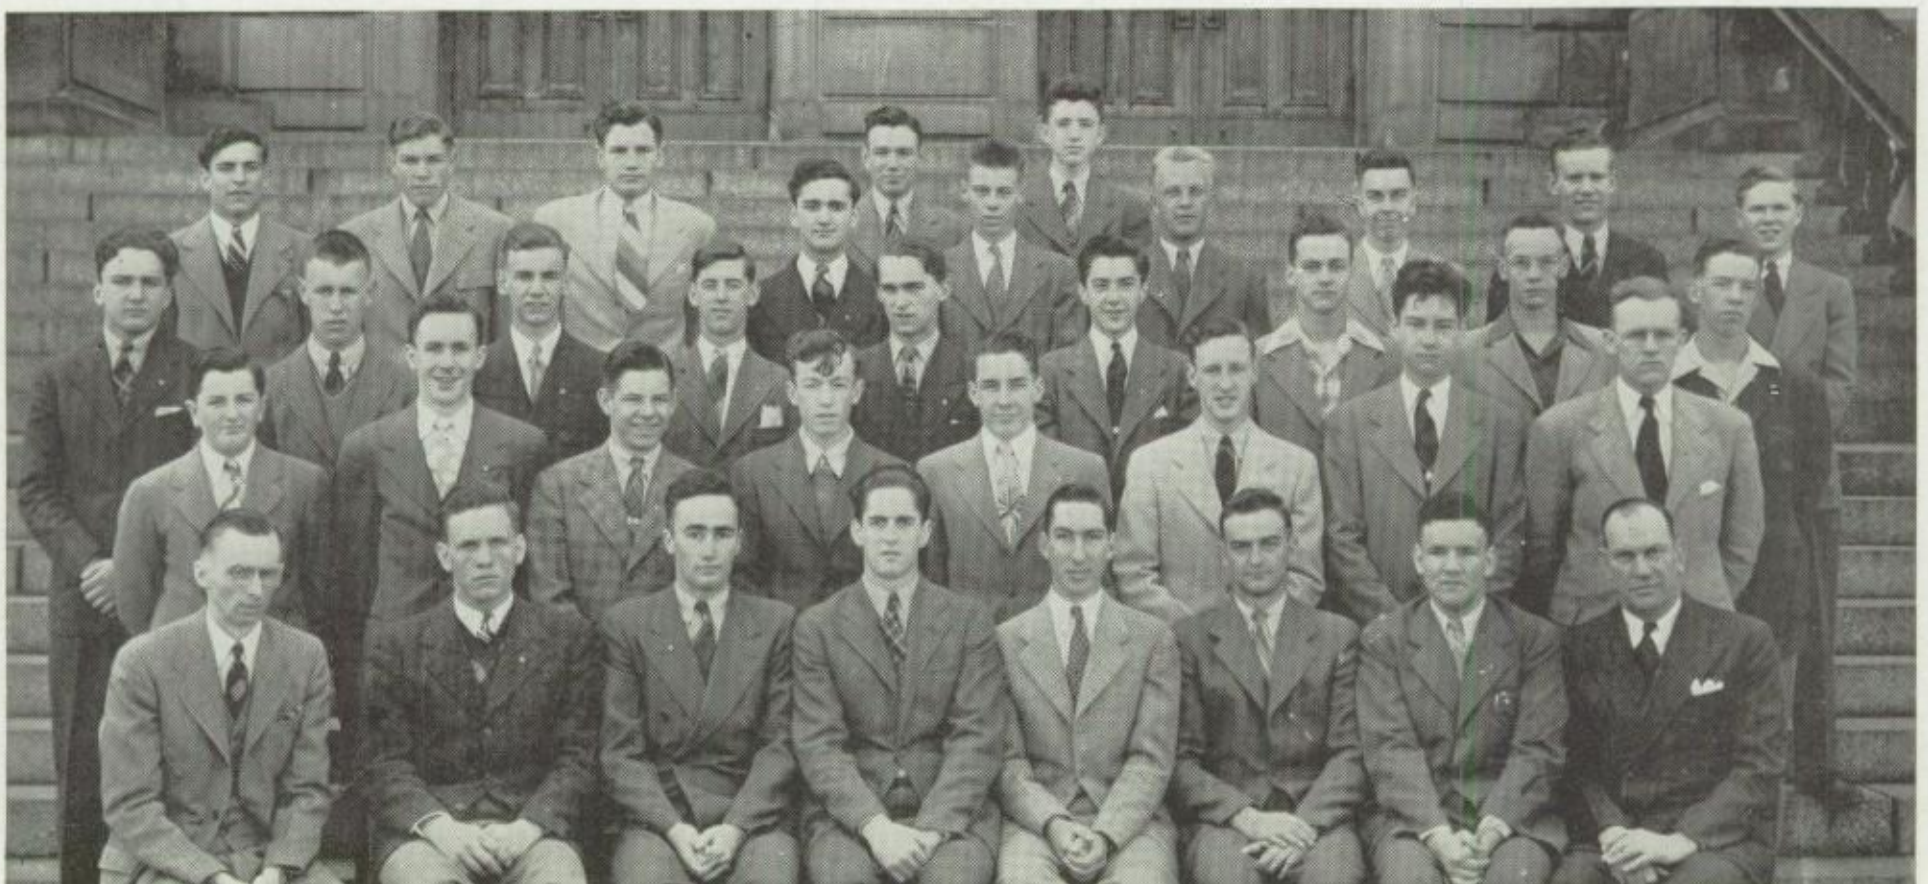

L. Hennessy, A. Sauerwein, P. Stebbins, W. Rusbridge, R. Sauerwein, L. Timmerman, C. Herbeck, J. Chudy.

Third Row:

C. Alf, J. Magee, P. Bittner, J. Douglas, J. Wamsley, J. Gyulavics, J. Woodworth, T. Yeates, R. Wells.

Fourth Row:

C. Lamb, R. Jerome, E. Wnukowski, M. Hans, L. Varadi, J. Wiseman, R. Schmeh, C. Springer, J. Malone, J. Miller, M. Bryce.

The Tri-Y Club

Charity was the purpose of the Tri-Y this year. To fulfill this purpose, Thanksgiving baskets were distributed, and at Christmas, scrap books were made for the Children's Hospital.

The club was represented at the state-wide Albany Assembly where Governor Herbert Lehman was the outstanding speaker and at the Buffalo Area Hi-Y Council Dinner at which Dean Thomas Graham of Oberlin College delivered an address.

First Row:

P. McDowell, P. Dwyer, E. Muranyi, M. Frankenfeld, J. Steinhauser, D. Delaney.

Second Row:

E. Murtagh, R. Wacker, E. Diehl, Miss Woelfle, E. Phillips, L. Johnson, S. Mayer.

Third Row:

J. Freudenberger, H. Gentilcore, K. Wagner, J. Speck, J. Ruhlman, E. Dvortcsak, F. Lueth, B. McVey, B. Kleckler, B. Best.

Additional Members:

N. Kogler, B. Meister, I. Saj.

The Tri-Y had a dance in conjunction with the Hi-Y, an alumni Christmas dinner, a co-ed supper with the Hi-Y, a toboggan party, and an all-sport night at the North Delaware YMCA, where the club meets every Friday night. Interesting speakers on various subjects gave zest to many of the club's programs. We are looking forward to a skating party, a group attendance at the Easter Sunrise Service at the Buffalo Civic Stadium, and a joint meeting with the Kensington Girls' Hi-Y.

A service award is presented to a girl in the Class of 1942 for outstanding service to the club and to the school.

We are fortunate in having Miss Helen Woelfle as our adviser.

The Commerce Club

The Commerce Club is an organization of commercial students in the senior, junior and sophomore classes. It aims to create a greater interest in business and to stimulate good fellowship among its members.

Activities for the year included a lecture on "Secretarial Qualifications" by Mrs. Margery Flanders, a trip to the Better Business Show, a skating party, an enjoyable hay ride, a progressive Christmas party, and a delightful dinner. We are looking forward to a trip through the Courier-Express and to our annual picnic.

Each year the Commerce Club presents two awards. At the service award assembly, a medal is given to the member in the club who has rendered the most service to the school and to the club. At Commencement, a scholarship medal is presented to the senior in the commercial course who has attained the highest average in his subjects.

The purpose of the Dramatics Club is to further student participation in assembly programs at Riverside. In this club, members learn about acting, directing, producing and applying stage make-up. New talent in these endeavors has been discovered this year. Credit for the success of the club is due in large part to our faculty advisor, Miss Connery, and to our capable officers.

Each year, before the vacation in December, the Dramatics Club produces a Christmas play for the pleasure of the students. 'The First Noel' was enacted this year under the supervision of Mrs. Shork and Miss Connery. The leading characters were: Tad Szymecki, Margaret Servocky, Frank Rainone, and Joseph Gyulavics.

The Dramatics Club has had a successful year. We hope our aims and projects will be continued in the future.

Camera Club

The Camera Club is one of Riverside's youngest societies. Organized September 1939, it was revitalized and enlarged in 1940. Membership is extended to everyone interested in photography and its developments.

Under the direction of the program committee, programs of various types were presented at each meeting. Commercial photographers were invited to judge contests or to speak on photography and to demonstrate them. Members took trips to improve their pictorial technique. Mr. Lewis Miller, club adviser, conducted interesting discussions on the chemistry of photography.

The purpose of the club is to offer fundamental instruction to its members in photographic principles, to aid the school whenever possible by furnishing pictures of students or school activities, and to develop a scientific attitude toward photography.

Science Club

The Science Club has again flourished under the able guidance of Mr. Masson. The past year has been one of increased activity on the part of the members of the club. A dance and a surprise party were among the high lights in a long list of Science Club entertainment.

At its first meeting the Science Club elected the following officers: Earle A. Williams – President, Carol Wilson – Vice-President, Betty Kleckler – Treasurer, and Florence Dyl – Secretary, who organized and conducted the club activities.

The Science Club enjoyed two interesting trips. The first was made to a radio broadcasting station where members heard and saw a radio program in action. On another occasion, the club had the opportunity of seeing a mechanical man called "Vader" at the Buffalo Consistory.

At one of the most noteworthy meetings a talk on the Anarctic was given by a naval officer, Stewart Bautinhimer, a former Riverside student, who had traveled with Admiral Byrd to the South Pole.

An electrical demonstration in which artificial lightning was created, spotlighted another Science Club meeting.

We are now planning our annual picnic which will round out a full year of social gatherings marked by increased interest in scientific investigation.

Large Council

We are proud to say that this year the Student Council has grown larger in size and power. A committee of Fire Wardens was included in the Boys Council. Homeroom Administration was added to the Girls Council and both councils this year included lower classmen.

<i>Assembly</i>	Josephine Potembska, Charles Herbeck, Thomas Kelly

The Career Club

The year 1942 brought several unexpected changes to the Career Club, last season's newest organization. The greatest change occurred when Mr. Miller was advanced to Assistant Principal and became too busy to help the club. Another upset came at the end of the first term when the officers and charter members were graduated and left, hence the club had to be reorganized. Our new sponsor is Mr. Downes, who worked with the boys before in other capacities. And when the new officers were chosen, the halls resounded to the slogan, "Kirsch for president."

Since the club was founded with the idea of helping boys get jobs and become familiar with business requirements, the meetings were devoted to such ideas as personal qualifications, opportunities in certain fields of work, and application experiences. An interesting film entitled "Visiting the Ford Plant," was secured for one meeting.

The boys hope that the new officers and members will keep the group together and that one dubious year will not mark the end of the club.

The Red Cross

In November a small unit of the Junior Red Cross was organized by a patriotic and enthusiastic group of pupils. Our first efforts were devoted to knitting scarfs and sewing twenty-five rompers. When the war came, we increased our membership, each homeroom having a representative, and started our service fund. The Girls Council undertook to make baby quilts and did a beautiful job. Knitting sweaters was added to the previous work, and by the end of the school year, we had turned in sixty-five scarfs and thirty-five sweaters. Next a list of Riverside boys in service, graduates or those having attended here, was started. We collected books and magazines for the Victory Book Campaign, and Miss Cary assumed charge of that enterprise. Miss Marshall headed the knitting, and Miss Snell supervised the sewing and service fund. The service list of names was under the direction of Miss Wilkinson, and may be found opposite the dedication page of this book.

In the spring donations were made from the service fund to the following causes: \$5 to the United China Relief, \$10 to the Red Cross for medical supplies at the front in Iceland and money for the mailing of a circular letter to our boys in service wherever we could reach them.

Hi-Y Show

This year the Hi-Y show provided its large audience with top entertainment, a variety show called "Fun At Camp Chattanooga." The theme of this show was the ever popular army camp and its amusements.

The show opened with "The Awkward Squad," a group of pathetic rookies, entrusted to the hard-boiled top sergeant—Ray Kirsch. The scenes that followed presented different types of programs for keeping the soldier fit, and happy. Bob Kranz and Clifford Alf presented an unusual act of balance and precision, depicting the various sports of our school. Pan-American Influence was shown through a group of colorful and spectacular dances, and included a comedy rhumba of Harriet Reitenbach and Arpad Toth.

No program of this sort would be complete without a good old-fashioned melodrama. Our 1942 version ran true to form. We had an excellent spy in Al Sauerwein, and such an elegant hero in Joe Gyulavics. The beautiful daughter was played by Peggy Servocky, and the poor old father was Bob Schutt.

Riverside, too, could boast of its "Hour of Charm" and a group of our talented girls gave several selections in the famous Spitalny manner. Among them were Phyllis Kirchmeyer, Doloryce VanTuyt and Jennie Archonditis.

Our popular Junior President, Edward Rosinski, entertained us all by his accodian selections, and the entire cast concluded the program on a patriotic note — "We Are All Americans."

No Hi-Y show could be produced without the untiring efforts of the faculty. Miss Ford and Mrs. Schork directed the show; Mr. Hull and Mr. Seibold worked on the music; Mrs. Ludlow and Mrs. Sullivan had charge of the costumes. Other members of the faculty gave their time assisting with rehearsals, ticket selling, and back-stage duties during the performances, for which we thank them, one and all.

Of the many extra-curricular activities at Riverside High School, athletics is of special interest to the student body. There are several reasons for this. Contests between schools developed good fellowship and cooperation. Intramural sports stimulate friendly rivalry and fair play. Physical exercise is not only necessary for developing the body but also for improving coordination and building character.

Participation in sports makes for better citizenship. Unlimited cooperation, indispensable in a democracy, is developed in sports requiring teams. Respect for umpires during youth leads to respect for laws during manhood. The spirit of fair play which is frequently engendered in competitive recreation often acts as a deterrent to malicious or unlawful deeds. To promote these purposes Riverside High School sponsors athletic rivalry enthusiastically. Regarding sports, Theodore Roosevelt says, "If treated as it should be,—that is, as good healthy play,—it is of great benefit, not only to the body, but in its effect upon character."

The 1942 Cheerleaders

"Go, Riverside, go" was the keynote of the 1942 cheerleading squad, for they had enthusiasm and pep, and the first football game sent them on their way — from then on they went. After tryouts in assembly for both boys and girls the squad was chosen; Robert Ott of 299 was elected captain and Henrietta Brylinski was the only veteran member. Each member was given a chance to lead and try new cheers and the school proved excellent material for the results were vociferous.

Back Row:

The new cheers tried this year were the Brrr----rahs and the Whipper-will. The most amusing cheers were heard on the various letter days, when many a hero's weakness was revealed. And our loudest cheers were for Mr. Spear when the school wished him success in his new position. We know he heard us at Bennett, for we did raise the roof that time. We will make it equally loud when he comes back to us.

*"Let's go, Purple, let's go, Gold,
Let's go, Frontiers, over their goal!"*

The 1942 Golf Team

Under the supervision of Mr. Sweeney, our golf team finished fourth in the Ganson Depew golf trophy competition this year.

Our golf team has never come in below fourth place. In 1937, our team tied for the Ganson Depew trophy, and in 1938, we triumphed over a favored Bennett squad to finish in first place with All-High honors. Clarence Hutt shone as Riverside's individual star smashing his way to All-High distinction.

This year's captain Martin Shauss, Dick Radecki, Jake Golba, and Kirk Jones represented us in the All-High meet with fine scores of 88, 88, 88, and 93 respectively. Most of the boys will return to school next year, so our golf team should have a great season.

Left to right:

Leo Hennessy, Jacob Golba, Ted Mlynarski, Joseph Gyulavics, Martin Shauss, Richard Radecki, Edward Rosinski, Kirk Jones, Gerald Ketchmark, James Bush.

Football Team

A championship team consists of team-work and experience. This year our team had team-work but were cut short when it came to experience.

Seated:

H. Ihle, W. Rusbridge, M. Margulis, R. Sauerwein, M. Turner, B. Daniels, J. Austin, A. Sauerwein, J. Hoffman, B. Turner, R. Lanternier, G. Lindbergh, W. McClarin, C. Wagner.

Second Row:

T. Denison, T. Kelly, H. Stryczek, K. Chapman, J. Tilley, Ed. Christopher-son, B. Geib, R. Freeman, C. Springer, F. Clark, W. Kelley, C. Blachmore, H. Kessler, M. Lavene, T. Svenson.

Third Row:

B. Campbell, G. Goff, C. Alf, D. Stiegman, J. Chudy, R. Lee, R. Kranz, G. Bautinhimer, J. Ott, F. Fredrick, C. Sorenson, G. Wnukowski, E. O'Conner, R. Jerome, A. Massey, R. Reinhard, R. Kirsch, J. Malone.

When school opened last September, we found only four regulars returning: Alton Massey, who played every minute of the 1941 season, Rolly Reinhard, George Bautinhimer, and Bob Kranz. By the time our first game with Lafayette rolled around, the team had shaped up pretty well under the expert supervision of Coach Spitzer. The boys put that one under their belt with a 6-0 victory. They went out the next week after Hutch and were just beat out in the last 40 seconds of the game by a score of 12-6! Determined to make up for the loss, the Frontiersmen went out the following week and shellacked Grover 13-0! For the first time in three years, the Kensington Knights were able to subdue our boys by the minute margin of 7-6! Next, our rival game with McKinley found us without the services of two of our varsity backs, Al Sauerwein and George Bautinhimer, and when the final gun fired, we were on the wrong end of a 27-0 score. The last game of the season was against undefeated, unscored upon Bennett. Although the boys didn't win, they were able to put over a "6 pointer" to make the score 21-6 and to be the only team to score on the Tigers, co-champions of 1941.

Although the men of the gridiron did not have a too prosperous year, there were many outstanding players on the team. Among them, Alton Massey, now at Cornell, made second team All-High tackle. Bob Kranz at center and John Ott at fullback received Honorable Mention for outstanding performances at their respective positions.

With many of our first stringers returning, we have high hopes for the Harvard Cup next season. We wish you the best of luck!

Cross-Country Team

When Mr. Zabel issued a call for runners for the cross-country team about twenty students registered. Calvin Dell and James Hodge were the only veterans in the group. Keith (Mangler) Cluckey, a former runner, was appointed manager. Under Mr. Zabel's coaching and with the assistance of Keith, the team was prepared for competition.

On October 19, the day of the first meet, Riverside's entries finished third in team standing. In the second race, our runners nosed out Lafayette for third place. These two races were preparatory meets for the All-High meet. Because of a new ruling, ten runners from each school may be entered in the All-High meet instead of the usual eight. In the All-High meet, James Hodge, Calvin Dell, Robert Sheridan, Lawrence Murphy, and Leonard Powlaski placed for Riverside. Riverside's team finished ninth in the race and was awarded two points toward the Williams Cup.

The student body of Riverside High School expects our cross-country team to win the championship next year.

The results of the preliminary meets are as follows:

October 9

Kensington	19
Technical	55
Riverside	116

October 16

Hutchinson	37
Grover Cleveland	40
Riverside	67
Lafayette	72

Basketball Team

The rigid competition and uncertainty of this year's Yale Cup series was clearly illustrated by the final standings, which found the 9th place Riverside team only 4 games behind the league champions. George Goff lead the team scoring with 154 points, and won the forward position on the second All-High team. Roland Reinhard, a veteran of four years captained the team. He played a good floor game and received honorable mention in the All-High selections. An outstanding defensive game was played all season by Charles Wagner and Louis Varadi at the vital guard positions. The center spot went to sharp-shooting Robert Jerome. Jack Douglas and John Wiseman, a pair of juniors, receiver major letters and are to be counted upon for the coming year. Eugene Wnukowski and Howard Sikorski also were awarded major letters. Robert Kranz was the manager, and James Bush the assistant manager. As the spring season rolls around it is interesting to note that quite a few of the basketball men are expected to hold down positions on the baseball team.

Seated:

L. Varadi, J. Wamsley, C. Wagner, R. Reinhard, J. Douglas, J. Wiseman.

Standing:

J. Bush, G. Goff, H. Sikorski, R. Jerome, C. Babinsky, G. Wnukowski, L. Powalski, J. Toth, R. Kranz.

Scores of the games:

Swimming Team

In December the prospects were bright for a strong, well-balanced swimming team. The Riverside mermen outstroked Technical for a win in the first dual meet of the season and as our able coach, Mr. Sweeney, predicted they lost only two of the remaining seven meets. The Frontiersmen placed seven men in the All-High Finals, capturing enough points to clinch third place in the Syracuse Cup standings. Mike Fedak was appointed team manager, and the captainship was held jointly by Ted Dennison and Jim Miller.

Next year should bring a championship team with a nucleus of varsity swimmers and the numerous veterans of this year's squad. Mr. Sweeney's policy of giving the younger swimmers experience in actual competition whenever possible is sure to show good results in the '43 season in an all around unbeatable team.

Dual Meet scores:

	WE	THEY
Technical	46	29
South Park	27	48
Kensington	28	47
East	44	27
Lafayette	43	32
Bennett	38	37
Hutchinson	50	25

Baseball Team

The Riverside High School baseball team has not been very successful up to date. Through no fault of our twirlers, Bob Jerome, and Jack Douglas, we have lost the first two games. Errors in crucial moments, due to inexperience, lost the games.

The first game we played was with Bennett and the score was 11-5, their favor; the next game was against Grover Cleveland, and we lost 9-6.

Seated:

C. Wagner, R. Kirsch, R. Fell, J. Douglas, R. Jerome, C. Rainone, C. Alf.

Second Row:

H. Ihle, R. Puchalski, D. Whalen, G. Goff, L. Varadi, E. Schimp, G. Wnukowski.

Third Row:

B. Turner, B. Bunny, H. Sikorski, D. Geib, C. Springer, R. Wells.

Louis Varadi, at shortstop, and George Goff at left field, with Bob Jerome, are the leading sluggers so far this season. Robert Fell is holding down the important position of catcher, and making a good job of it. Mr. Zabel is our coach and we hope we will justify his faith in the team. We still have 4 games to play, and our hopes are high.

Track Team

The thirty-eight members of our fleet footed track team hope to have a successful season; with the coaching of Mr. Spitzer no one doubts they will come thru with flying colors. Although we faced defeat in our first meet with South Park we will finish the season well up on the list.

We have quite a few veterans back such as Jim Huffcut, our star high hurdler, Tom Yeates our polevaulter; Bill Kelley at the $\frac{1}{4}$ mile and John Woodworth our high jumper. We have quite a crop of new recruits who will be a great help to our team this year. And we know that the recruits of today will be the stars of tomorrow.

The trial meets are held at the All-High Stadium on Thursday, and we have two more scheduled. The big event, The All-High Meet, will come just before Senior Day — and will mark the last school competition for some of our old stand-bys. Good luck to good sports!

Tennis Team

The tennis team of this year shows much improvement because three regulars of last year, Wesley Rusbridge, Godfrey Limburg, and Frank Rainone, returned. The other four positions are being sought by John Wiseman, Robert Shanks, George Houck, Jack Wamsley, Victor McCarthy, Robert Williams, and two freshmen, Stanley Grossman and William Lundquist. The captain, Wesley Rusbridge, combining his efforts with those of coach, Mr. Sweeney, is trying to build a victorious team.

First Row:

J. Wamsley, G. Limburg, W. Rusbridge, F. Rainone, S. Grossman.

Second Row:

R. Williams, G. Houck, V. McCarthy, B. Shanks, W. Lundquist.

The season will be a short but arduous one, with three matches per week, weather permitting. As the *Skipper* goes to press, no games have been played. The schedule is as follows:

DATE	OPPONENT	TO BE PLAYED AT
May 11	South Park	Riverside
May 13	Technical	Riverside
May 15	Grover Cleveland	Riverside
May 18	Bennett	Le Brun
May 20	Lafayette	Riverside
May 22	Hutchinson	Front
May 25	Fosdick	Riverside
May 27	Kensington	Riverside
May 29	East	Humboldt

Riding Club

Riding has always been a recognized sport a Riverside, and usually enjoyed for two seasons. This year the club met on Tuesdays and rode for an hour. The route led thru Delaware Park to the Zoo and back. The picture was taken in front of the Historical Building on the first ride this spring. There has been a change in riding, for it no longer carries credit for athletic awards and so the club goes unattended by a faculty member. Mr. Runser is now the official chaperon and guardian of the new members.

So far there have been no accidents or run-aways, only stiff legs and aching muscles. We hope that the horses will take the sugar-rationing without a kick, so that we may maintain our friendly relations with them for the rest of the season.

Left to right:

Jane Deren, Peggy Jacobs, Doris Near, Near, Dorris Sugg, Anna Wolanska, Gladys Ponds, Shirley Pellegrino, Florence Bronco, Norma Taylor, Betty Seicht, Dorothy Drozdewska.

Girls' Sports

The autumn season opened with great enthusiasm on the part of our athletic girls. A majority of them are freshmen, who are choosing the correct road in promoting their years at Riverside to being more enjoyable.

The senior girls playing on the winning volley ball team have the distinction of winning the volleyball championship through their whole four years, from freshmen to seniors. The 1942 captain was Irene Saj, who had lead the team all the other years as well.

The squad of freshmen gave the seniors keen competition in basketball, but the seniors emerged triumphant. At the conclusion of the class games, two varsity teams were chosen, a Gold and a Purple, captained by Katherine Mowczko, and Irene Saj. The two teams composed of equally divided skillful players, determined to make good, played two close games in which the Gold team was undefeated. The grand party by the losing Purple team closed the basketball season.

The swimming enthusiasts met twice a week after school under the direction of Mrs. O'Hern. In the intramural competition, the seniors were victorious. In the closely run race between the Purple and Gold, the Gold team, captained by Carol Pfeiffer, victored over Patricia McGinty's Purple team by an arm stroke.

"Batter up!" These words could be heard on the school grounds by the girls who were anxious to get the baseball season started. The girls are practising the national game with the same good feeling as shown in other sports.

In contrast to team sports, we also have more individual sports scheduled. Horseback riding is a two season activity, and popular enough for the riders to form their own club. Bowling and ice-skating are also on the winter calendar, along with Badminton, Hiking, Bike Riding in the fall, and tennis in the spring complete the list of games promoted by our school.

We are deeply appreciative of Mrs. Stapleton, Miss Woelfle, and Mrs. O'Hern, who willingly gave much of their time to enthusiastically, and splendidly direct the girls in after school activities.

*I*N this section are advertisements which have helped make this magazine possible. When the senior class undertook the task of publishing a yearbook, it realized that it had to be a financial success as well as a school record. The members of the advertising staff worked diligently to accomplish this end. The following pages are evidence of their effort.

They were rewarded in another way however. These students, the citizens and business men of tomorrow, gained experience in coming in contact with business men of our community.

Most important of all, we must not forget that these advertisements represent part of our democratic way of life, for they are examples of free individual enterprise, a freedom we are fighting to preserve.

In addition, this section has miscellaneous items concerning Riverside students. These will no doubt recall many a happy experience and bring a smile of pleasure as they are reviewed in the years to come.
